V6E

3YR
or 100,000 KM
Warranty[1]

5YR
on Three-Electric System
200,000 KM Battery Warranty[1]

Born Electric. Built For Business.

Extra Space and capacity

The 4:6 double-door tailgates can be opened on both sides ((180° / 270°) to satisfy freight handling needs in various distribution scenarios. The cargo platform is 540 mm above the ground. Inside the vehicle 13 storage spaces and 500mm-with of the driver's seat make the driving experience a pleasure. Additional standard equipment for V6E includes: rear doors that open at a 270° angle, a 10-inch touchscreen radio and reverse camera, half-height side paneling, and an aluminum floor.

Energy Efficiency

Equipped with Bluetooth, ECO switch and multi-state gliding energy recovery modes to save energy and improve range. With over 5800 tests runs of more than 1 milion kilometeres the vehicle is capable of performing all driving functions in high temperatures, high humidity, high altitude and extreme cold, and it is also corrosion resistant.

Extra Space and capacity

With the cube shape design and inner width of 1600 mm, the 5.9m3 cargo capacity is 10% larger than in products in the same segment. The vehicles body adopts a cage structure, and the roof can withstand a maximum pressure of 7.5 t.

The high-strength steel floor allows a load capacity of 1.5t, which is 260kg more than products of the same size.

Type	SSTA Version		
Vehicle	Weight	Gross Vehicle Weight (kg)	2715
		Curb Weight (kg)	1565
	Dimensions	Exterior Cabin Width (mm)	1730
		Vehicle Dimensions (L × W × H) (mm)	4855 × 1730 × 198
		Cargo Compartment Internal Dimensions (L × W × H) (mm)	2800 × 1600 × 1320/1270
		Wheelbase (mm)	3100
		Number of Seats	2
		Cargo Capacity (m^3)	5.9/5.7
	Performance	Gradeability	28%
		Maximum Speed (km/h)	110
		Range (km)	195 km (WLTC)
Powertrain	Battery	Battery Brand / Type / Capacity (kWh)	CATL / LFP / 41.86
	Electric Motor	Rated Power / Maximum Power (kW)	50 / 100
	Charging	DC Charging	CCS2
		AC Charging	6.6 kW Slow Charging
Chassis	Steering	EPS	
	Suspension	McPherson / Leaf Spring; Independent Suspension	
	Axle	Rear axle with maintenance-free wheel	
	Wheels	Size	195/70R15 LT
		Tire Pressure Monitoring	
	Braking System	Service Braking System	Front disc and rear drum
		Brake Assistance	ESC
		Regenerative Braking System	
Body	Interior & Exterior	Cabin Color	Zero White
		Electric Windows	
		Driver's Seat	4-way adjustable with ventilation and heating option
		Passenger Seat	2-way adjustable with ventilation and heating option
		Airbags	Driver and passenger seats
	Luggage / Cargo	Partition	Closed partition without window Closed partition with window
		Floor	PVC or aluminum
	Doors	Rear Doors	Rear doors opening to 180 degrees Rear doors opening to 270 degrees
		Side Door	Sliding door
Electronics	Driving	Key	Central locking + remote key + mechanical key
		Driving Modes	Standard, ECO, Power
	Electronic Configuration	Air Conditioning	Air conditioner (with PTC heating) + electric control
		Low Beam	Automatic
		Touchscreen	AM/FM, MP3, Bluetooth + USB
Safety & Driver Assistance		Safety Assistance Systems	Automatic locking, low-speed warning, unlock alarm, post-collision locking system
		Reverse Driving Assistance	Rear radar, rear parking sensor, rear camera
		Driver Assistance System	ABS + ESC + EBD
